

PROFESSIONAL EXPENSE COMMITTEE DISCLOSURE OF PENDING MATTERS

(San Diego Municipal Code § 27.2965(e))

Each individual who makes a contribution to a professional expense committee established by an elected City Official or candidate for elective City office must accompany the contribution with a disclosure form identifying the particulars of any matters that the contributor has pending before the board, commission, department, or agency of which the official or candidate is a member or employee.

A contributor with a pending matter is not prohibited from making a contribution to a professional expense committee. Instead, the contributor is simply required to disclose the pending matter on a form that the committee will file with its campaign statements.

For additional information regarding the types of matters that must be disclosed, please refer to the Ethics Commission's fact sheet on Professional Expense Committees – Disclosure of Pending Matters, or contact the Ethics Commission at (619) 533-3476.
